

“Welcome Aboard!”

Job Fair & Business Expo

Presented by the St. George Business Alliance

Finding enough help to staff our inns, rentals, restaurants, general stores and retail outlets is a seasonal challenge on our peninsula, especially during the busy summer months. But even in the off-season, many St. George businesses—such as landscapers, construction and auto repair firms, commercial fisheries, home health care and service providers—often need trainees or qualified full and part-time workers to supplement or fill open positions. If you’ve had trouble finding the people you need, we say “Welcome Aboard!” and invite you to participate in SGBA’s first-ever job fair and business expo! Our event goal is to connect member businesses looking for employees with local residents looking for work.

A unique opportunity for all SGBA members to:

Spotlight your businesses ~ Promote the types of employment opportunities available on our peninsula and talk with local students, teachers and residents seeking part-time, full-time, or seasonal employment.

DATE: Saturday, April 30, 2016
TIME: 10:00 AM-2:00 PM
